ENGINE ROOM

THE ENGINE ROOM

The space is perfect for brainstorming sessions, team meetings, interviews and private screenings.

With stunning furnishings, the very latest technology and delicious single estate coffee, The Engine Room is an unparalleled meeting space in Bristol.

THE SPACE

The Engine Room is comprised of 2 adjacent spaces located in the old wine cellars. The first is a dedicated private meeting and workspace with bespoke industrial furniture, handmade here in Bristol and chunky leather seats and seating for up to 8 and equipped with a smart TV with A/V facilities, printing and private WIFI.

This is separated by a glass door to the breakout space where you will find plush velvet sofas and armchairs, perfect for some downtime and a place for more informal discussion over a cup of tea or coffee
